Hi Glenn,

We better do these manually since I'm having difficulty finding time to finish the program. We can just start with the full set of violations and then trim it down to fit our needs.

Lets talk tomorrow morning and I can show you what I mean.

Subject: Different Examples of Prior AO's and Cover Letters (AO-13 issued to Chino CAFOs) - - for our model template/automation

Hi Chun,

Attached are the various examples of our AO-13 candidates in Chino. I also added examples of our Cover Letters which I hope we can also automate. Please let me know when you'd like to meet again; how much of the AO you want me to finalize (little, some, or all of the draft for our GH Dairy #1 AO effort). Now that upper management (Division Director, Deputy Director, Branch Chief, and supervisor all know this one's in the pipeline for action, we'll need to act soon. Thanks.

Glenn
